## Amie Potsic "SKIN STORIES"

15 April 2009, 14.05 | Posted in [Art](#) |

Opening this Friday, April 17, 2009, at Philadelphia's [Area 919](#), Amie Potsic's *Skin Stories*. The exhibition is a collection of large scale gelatin prints addressing skin, scars, and wounds as agents of seduction and spirituality. Amie Potsic began her career in San Francisco and currently works and lives in Philadelphia.

Full flier after the jump. And, yes, I will be delivering a lecture on Amie's photography on May 14, 2009.
