

## Area 919 Presents Amie Potsic: Skin Stories

THU, 04/16/2009 - 19:28 — DC

[Amie Potsic](#) will bring her artwork to Philadelphia's [Area 919](#) in her Skin Stories Exhibition which opens on April 17th. Here's some info:

*"Skin Stories is a collection of large-scale silver gelatin prints that address skin, scars and wounds as agents of seduction, spirituality, conflict, and beauty. Skin Stories is the result of photographic investigations by the artist that explore the physical, spiritual, and psychological terrain of skin in both the human body and religious sculpture."*

Also, [Curated Mag's](#) Nick Schonberger will be presenting an essay about the artist's work during a second event they're having.
